

11 January 1973

MEMORANDUM FOR: Regulations Control Branch, SSS

SUBJECT : Propose [REDACTED] CIA Retirement and Disability System 25X1A

1. Please arrange coordination and publication of the attached subject regulation as re-written by the Office of Personnel in collaboration with the Office of the General Counsel.

2. The proposed regulation is current in terms of legislative developments since the publication of earlier revisions and includes new policies and procedures which are important to decisions concerning current retirement actions. Therefore it is requested that publication be accomplished as soon as possible.

3. Coordinators should be advised to direct any questions to [REDACTED] on extension 6872.
